

The Historic Allen House

Preserving the Legacy of the Historic Allen House, Brick by Brick

In memory of those special ones gone before you or in honor of significant ones in your life, you can make them a permanent part of the Historic Allen House history. Those distinctive ones can be immortalized as part of the Historic Allen House Capital Fund Brick Project, building a pathway on the grounds of one of Marlin's landmarks.

You will be able to commemorate individuals, businesses, clubs, organizations or causes while playing a role in "Preserving the Legacy of the Historic Allen House, Brick by Brick".

Only by working together we can make a difference. Please join your friends and neighbors and help save the Historic Allen with your commemorative brick purchase.

Yes, I want to help save the Historic Allen House with my commemorative brick!
